Les Poupées Russes, 2005 (2h 5min)

Cédric Klapisch

Xavier a 30 ans. Il a réalisé son rêve d'enfance, il est devenu écrivain, mais il semble quand même un peu perdu. Il a quelques problèmes avec sa banquière.

Il a également des réticences à se fixer avec une fille et enchaîne les aventures amoureuses avec inconséquence. Xavier est contraint de continuer son travail à Londres, puis à Saint-Petersbourg. Ces nouveaux voyages lui permettront peut-être de réconcilier le travail, l'amour et l'écriture.
