at Filmhouse Cinemas, Leisure Mall, Adeniran Ogunsanya Road, Surulere, Lagos.

„DramaConsult“ initiates an ethnographic expedition from Africa to Europe, where the protagonists are real-life businessmen from Lagos: a spare parts dealer, a real estate developer and a young shoe manufacturer with high-flying plans. Accompanied by two smart business consultants, the group travels to Germany to link up with potential partners and investors. The film tracks the process of economic intervention as an adventure trip in the era of globalisation.

The Film-Club Screening is organised in cooperation with *IREP*, the Documentary Film Festival and Filmhouse Cinemas.
