It is my pleasure to enclose your VIP Collector Card to START presented by Prudential. START shines a spotlight on emerging artists and new art scenes with 56 galleries from around the world showing work in the museum-quality surroundings of the Saatchi Gallery.

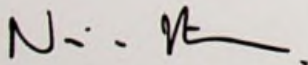

The fair also includes four major curator-lead initiatives, START Projects, including the debut London solo exhibition of Chim↑Pom as well as an immersive installation by teamLab.

Your VIP Collector Card allows you and a guest to attend the Preview Day for the fair on Wednesday 9th September, from 2pm to 9pm. It also allows you and a guest unlimited access to the fair on its public days, Thursday 10th September to Sunday 13th September.

It also entitles you to a complimentary copy of the fair catalogue published by Skira.

I very much look forward to seeing you at START and if either my team or myself can be of assistance in the run-up to the fair please do not hesitate to get in touch on vip@startartfair.com

Best wishes
