

and artist-run exhibition spaces in discussion with an architecturally designed venue. The dialogue developed between curators and architects, and the collaboration with galleries and their artists, creates a diverse range of programming – performances, discussions, events – and special artist projects that furthers Untitled's innovative approach to the standard fair model.

Since 2014 the curatorial team has consisted of Artistic Director Omar López-Chahoud with curators Christophe Boutin and Mélanie Scarciglia.

SPECIAL PROJECTS

Three special projects submitted by Untitled, Miami Beach exhibitors were chosen by the curatorial team and installed near the entrance of the fair. The works are positioned in direct dialogue with each other and include artists Scoli Acosta, Ronald Bladen and Elise Ferguson.

TOILETPAPER LOUNGE

The lounge for the fourth edition of Untitled, Miami Beach is designed by TOILETPAPER, the artistic collaboration between Maurizio Cattelan and Pierpaolo Ferrari.
